She's so annoying!
My lady, young master did you hear that? That servant following behind Lady Seol sighed at us!
Don't let them leave like that!
Seriously!
Argh!
So, hubby! What's the plan?
I, Soldier Park, am ready sir!!!!
Good!
Listen well! I came up with this plan under the basis that you know something about tea
...as you told me before.
But if that's a lie then all will fail, got it?!

*T/N: DARYE (KOREAN TEA CEREMONY)

Round 1
Darye*
Yes~ The Darye contest has finally begun!
The participants are serving the judges tea at their respective tables.
The judging criteria are preparation, refreshments, and the taste of the tea.
Most participants, I see, have selected high-quality green tea.
Hm~ You've learned the tea ceremony properly. Yes, how is your father doing?
Now let's have a little talk with the president of the Yeon-An Women's Society.

The Yeon-An ladies are very culturally educated.
I am satisfied.
Ah~ Is that so? But the best representative of Women's Quarter would still be Lady Seol, wouldn't it?
Hoho~ Is that so?
Yes, coincidentally Lady Seol is making tea to serve the Governor and Chief of the Army. Witnessing such dignity and elegance immediately makes me think she deserves the title as ace of this contest.
Please, drink the tea.
Hm—

Your ways of Daryo seem as if it comes naturally to you. I couldn't see any hesitation in your movements.

Hm?

This is... arrowroot tea...?
Arrowroot tea?!
stir
Oh my... I smell poverty~
I thought all you had to do was put it in and boil it?
stir
What is arrowroot?
The thing is, I heard that, father-in-law, you usually have a weak stomach due to stress from work. But arrowroot tea is not only good for the stomach,
...but it is also effective for headaches and high blood pressure, and since it's easy to make, it's a good tea that you can enjoy.
So I prepared arrowroot tea for you, father-in-law.

I wonder... if you liked it...
Yes, I like it very much.
Thank you for the good tea
For Army Chief, I will prepare a cinnamon tea.
I heard you caught a cold recently... If you drink cinnamon tea it has the effect of producing sweat so it is very effective against colds.
cough
Oh, is that so?
Thank you.
murmur

I see,
...so you know how to pretend to know tea well.

But, I don't have a cold nor gastritis. So what kind of tea will you give me then!
drink

For you, president of the Women's Association, I want to prepare some pine needle tea,
...which is good for preventing aging so that you can maintain such beauty for a long time.
My, really?
This wasn't what I came for
Ah!
Hmhm...
Pine needle tea...
turn
Pine needle tea...
I will remember it
definitely

NOW! THAT'S IT~! AND NOW WE FINISH THE DARYE CONTEST!
THEN, SHALL WE LISTEN TO THE JUDGE'S OPINIONS?
Zing~
We've all seen your excellent Darye skills. However for Darye, not only are the formalities important, but...
...know that originally Darye's formalities were just procedures so that the one serving tea could show manners and care for their customer.
Therefore, I hope everyone carves into their heart that Darye's important meaning is the sincerity contained within the care that the person has put into the making of tea
So...

T/N: PARODY OF THE SHOW SUPERSTAR K — KOREAN AUDITIONING PROGRAM LIKE VOICE OR AMERICAN IDOL

Hm, that is right. What's more important is the content rather than the formalities. Haha! So I will be lenient and put down a generous mark.

This is from a few days ago when Boreumi and Shibaek fought

You see, when I was in my original form~ I used to have at least an angel on each arm, by default. If I appeared on my cloud bike and was like "vroom vroom!!" then the angels would be like "Kya! Kya!" and collapse
And with just a single wave of my hand they'll go "Kya! Kya!" You get it? Besides, you can't deny that my face is overly handsome! How is it, don't you want to be like me?

BEFORE I BURST YOUR INTESTINES LIKE THIS, PLEASE GIVE BACK THE EXAM PAPER.
Lee Sang-gong... I don't want Boreumi to take this test.
ahem
...What?!
Lee Sang-gong, you know how I raised Boreumi right?
As you already know, Boreumi wasn't taught many things but,
She's a child raised like a spotless white field of snow.

That... I know too.
Then you still think it's right to evaluate her with just this exam paper with four-multiple-choice questions and break her heart?
You could say it's a downside of the modern society's education's uniformity
I... I understand what you're saying but...
I'm flustered because you suddenly turned serious...
But Boreumi is trying her best to get used to the life here in her own way.
ramble
ramble
I too feel bad to see Boreumi like that but, Mr. Park, if you do this now,
Then all the effort Boreumi put in to prepare for this exam will have been for nothing.
I will note your point, so please give back the test paper now.
